Flexible Funding Childcare & Education Offers

Children may access some or all their funded entitlement with us. Children attending 2 settings will have their 15/30 hours split between the settings. The decision about which hours go to which setting is usually the choice of the parent, and we will ask you to mark your preference, and we will advise on the Local Authority requirements should this be any different.

Notes

- A registration fee of £250 (non-refundable) is payable immediately on acceptance of a place at Blossom Tree Montessori. A refundable deposit of one month's fees is required to secure your child's place at Blossom Tree Montessori. This deposit is refunded after the child's leaving date during the account closure process.
- There is a late collection charge for any child collected after their booked session has ended.
- Detailed Terms and Conditions will be provided as part of the registration process.

Workplace Nursery Benefits

This is another payment method that we currently accept. This is an employer supported benefit. It enables employees who choose to use a nursery setting for the care of their child, to save money as a result of reduced tax and national insurance payments.

This benefit is a contracted partnership between your employer and a nursery. In order for you to access a workplace nursery place, your employer must partner with a chosen nursery.
